

## NATASHA FALCONI

Natasha Falconi is the Founder of Falconi Capital, a real estate investment firm specializing in multifamily real estate with a focus on South Florida.

With a rigorous approach to sourcing properties – Natasha has created a business acquiring class B and C properties with existing cash flow and opportunities for value-add improvement. Natasha firmly believes you can create value for investors while uplifting the assets for the benefit of tenants and the greater community.

With decades of experience in a big 3 accounting firm, responsibilities as Controller and President of a national real estate investment & development company, and

Chairwoman of a Florida based community bank, Natasha keenly understands how investors determine value.

Natasha lives in Coral Gables with her husband Arthur and their two sons.
